Performance Company Audition Week **\$250**

August 10-13th

If you will be 9 years old by Fall, a level III dancer or above, with a single pirouette, can leap with a straight leg, can link together glissade, pas de chat, jete', pas de bouree', can do a waltz step, and chasse' in opposition, you are welcome to audition for Performance Company. Performance Company is the umbrella term for our Ballet Companies, and or, our Competition Teams. Depending on the situation of Covid 19, in August, we will assign the appropriate and safe number of dancers to a classroom to learn the audition combinations and skills. You could be scheduled any time of day, 8:30 a.m. -9:00 p.m. Please save this week for your auditions. IF you already have out of town plans for this week, you may make up the audition by scheduling 8 private lessons over the summer, and we will do our best to get you on the team that best fits your skills. All Performance Company Dancers are also expected to participate in a minimum of 10 classes over the summer (4 of them in ballet). We would love to see you on our Teams next year!! (Typically our Teams participate in 3 competitions, and our Ballet Company participates in our classical ballets, and community performances.)

Friday August 21 is currently scheduled as our Team Bonding Day. Please save the date.

Note:

(Should things change, and MN opens up, so that classes can be held in person, without students needing to wear masks to be safe while dancing, we would potentially move to in person classes. While it is thought masks are helpful in not spreading the disease, it is not believed to be safe for dancers exerting themselves.)
